

### R 8442 ATHLETIC MEDICAL EMERGENCY PROCEDURES

The Board of Education is mindful of the potential physical hazards inherent in any athletic event, including practice sessions and contests.

In order to provide positive procedures in the case of athletic medical emergencies, the Board of Education directs the Superintendent to formulate such procedures and to disseminate such document to appropriate personnel.

Such procedures shall include, but not be limited to:

1. Immediate reporting of any injury to the coach.
2. Insured access to a telephone.
3. Access to first aid kit.
4. Means of summoning a doctor or first aid squad as quickly as possible.
5. Means of notifying parent(s) or legal guardian(s).
6. Follow-up on injury status by the coach.
7. Completion of accident report by the coach.

The Board of Education shall review annually said procedures.

Issued: 28 November 2012
