

2551 MUSICAL INSTRUMENTS

The Rumson Board of Education offers pupils in grades four through eight an opportunity to participate in an instrumental music program. In order to participate in this program, each pupil must procure an instrument for use during class sessions.

Parents will be afforded an opportunity to rent or purchase instruments for their children through a vendor selected by the school district. Parents retain an option to use a vendor of their own choice.

Proposals for the rental/purchase of the instruments for use in the instrumental music program will be received annually by the school Principal. Every effort will be made to obtain instruments at the most economical cost. While the cost of the rental/purchase of the instruments is important, service and maintenance of the instruments will be a prime factor in the selection of vendor.
