## PRINCIPAL'S OFFICE

Welcome back! We are excited to have our students in the building! The first few days have been busy getting to know our new teachers, schedules, and locker combinations, but the students have done great. A few helpful reminders to get the year started on a positive note:

- Get to school before 8:35 AM. Doors open at 8:20 AM.
- Keep the Dress Code in mind when getting ready in the morning.
- Keep your cell phone in your locker
- Use your planner to write down HW and test/quizzes.
- Check Google Classroom for posted assignments.

## PARENT HOT TOPICS

A recent TikTok challenge is popping up in the news, as teenagers who have participated have been arrested. The challenge encourages students to record a video of themselves telling a teacher there is a bomb or gun in their backpack. Students in Rumson who attempt this, will be subject to a full threat assessment, removal from school, and referral to the police.
