Dear Parents, Guardians and Members of the School Community,

I hope this letter finds you well. I am writing to provide you information about the 2017-18 New Jersey School Performance Reports, which were recently released and are available on the NJ School Performance Reports webpage at www.njschooldata.org.

In review of these reports I trust you will be as proud as I am in our ability to “ignite the potential” of our students! I commend the students, parents, teachers, administration, and Board of Education for their continuous efforts in ensuring the very best in educational practice and program for our students.

The School Performance Reports reflect the New Jersey Department of Education’s (NJDOE) efforts in sharing the information that is most valuable in providing a picture of overall school performance. We encourage you to use these reports to learn more about your school and district.

A Summary Report Guide is also available to explain the different data points on the Summary Reports and guide you in your review of these reports.

The NJDOE continues to seek public input on ways to improve future reports. Please complete the feedback survey at: www.surveymonkey.com/r/VKNTTRC or email reportcard@doe.nj.gov with feedback and suggestions.

With pride,

John E. Bormann, Ed. D.
Superintendent of the Borough of Rumson School District
