

## THE RUMSON PTO

Dear Bulldog Parents

Each year our school relies upon holding fundraisers to help pay for the many excellent educational opportunities we offer to our Bulldog students. This year, through the country's pandemic, we have found ways to reach our goals, beautify our student's cafeteria, purchase specialized COVID 19 air quality equipment to both Deane Porter and Forrestdale and now a spectacular new project has come to the table for us to get involved with to give to students for generations to come.

At this time, we are reaching out to our community to ask for your financial support on our **PLAYGROUND PROJECT!** We are in the planning stages with the Board of Education to transform our old playground into a gorgeous, state of the art new playground. Our **GO FUND ME** goal is to charitably raise \$75,000 to complete the construction of this project. Any additional funds collected will be applied to the playground beatification.

We have selected a playground from MRC/GameTime Playgrounds and will have open for the upcoming school year. The photos attached will give you a glimpse into this amazing new structure. Your tax-deductible donation will go directly to the construction and equipment. This playground has been specially designed to offer endless amounts of play, by creating a play circuit for our all our students.

Please make a tax-deductible donation to our **RUMSON PTO PLAYGROUND PROJECT, GO FUND ME** account, to help us reach our goal and provide a new playground for all the children of our Rumson School community and their families. No donation is too small! We look forward to working with you on this amazing project for your children's school future. Thank you for your support!

**Let's Build It Together!**

With thanks and gratitude,  
Your Rumson PTO
