Neatness and material use	I was very careful with my work and followed all directions. I used all materials well.	If I was a little more careful my work would have been perfect. There were a few mistakes that I made with materials, but my project still looks very good..	I had some problems with materials, and I could have worked more carefully. There are some technical problems showing in my work..	I did not work carefully. There are a lot of problems or mistakes..	-----	-----
Time & Management	Class time was used wisely. I planned very carefully and worked hard. I asked for help when needed.	Class time was used wisely. Some time went into planning. I needed some refocusing during the project.	Class time wasn't used very well. I could have planned better, and I was sometimes distracted or off task.	Class time was not used wisely. Little effort went into the artwork. I was often off task and not focused on the project.	-----	-----
Willingness to take artistic risks	I pushed myself to chose a challenging subject matter for this project, and I pushed myself out of my comfort zone.	I chose a subject matter that was somewhat challenging. I could have pushed myself further.	I chose a subject matter I thought I could do well.	I did not include enough detail and should have challenged myself more.	-----	-----
Classroom rules and procedures	I followed rules, put all my work in proper storage, and was helpful to my classmates every class.	I follwed class rules, and put my work away properly most days and I was helpfule to my classmates.	I followed class rules sometimes, and I assisted others in cleaning up and putting work away.	I need to be more careful about following class rules. My tablemates did most of the cleaning.		
Requirements	I went beyond the requirements	All requirements were met.	One requirement was not met completely.	More than one requirement was not met.	-----	-----
