

SUMMER HAPPENINGS

2014

Ceiling/Lighting Project at Deane-Porter

Before

During

After

Eight classrooms are getting a light/ceiling makeover to improve illumination.

Windows Phase II

We have completed replacement of windows in the FD Media Center, which include double pane glass and tinting for energy efficiency and blinds for security.

FD Office Refresh

We've ripped up the old carpet and installed new workstations for a more professional, efficient workspace, and a welcoming spot for parents and students!

Deane-Porter Bathrooms

Three bathrooms in Deane-Porter are getting a makeover: two student bathrooms outside the cafeteria and the unisex visitor bathroom in the lobby.

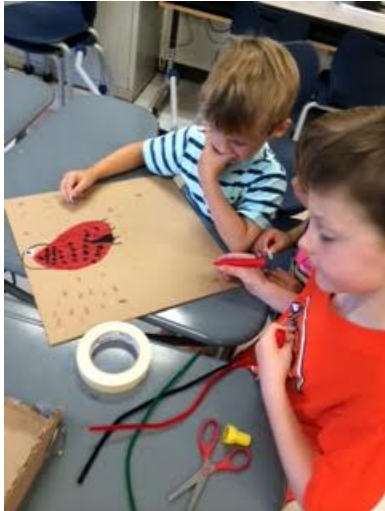

Nurse's Office Improvements

At Deane-Porter new casework is being installed and a handicap access bathroom with in-room sink at Forrestdale.

Camp Invention

Camp invention ran successfully for two weeks.

Lego Camp

Deane Porter School hosted the
Rumson Rec. Lego Camp.

Technology Happenings

- Deane Porter Media Center updated with new “all in one” ASUS computers.
- Wireless installation in Kindergarten classrooms has been completed.
- We have started to implement the classroom technology upgrades funded by the Rumson Education Foundation. The first phase will be all Forrestdale math classrooms.
