You will enter the training area and will be able to view the training sessions assigned to you.
Example:

Training Area

The Training Area is the first screen all users will see once they have logged into the training site. All mandatory and suggested assignments will appear here. The user will see the courses that they are required to take, the due dates, and their status (whether or not they have started or completed the assignment).

My Assignments

View and receive important information about all of the courses assigned to you by your administrator. Additionally, you can track your progress towards completing each assignment.
