

RUMSON SCHOOL DISTRICT

AFTER & BEFORE SCHOOL ACTIVITY SECURITY

In consideration of the use of the Board of Education property or facilities the undersigned Outside Organization agrees to accept responsibility for supervision, compliance with applicable laws, regulations and Rumson School District policies, payment of fees (if applicable), and implementation of the following after and before school activity security protocols associated with the foregoing use of school facilities.

I agree to accepting the responsibility of the following security protocols reviewed with the district, and understand that if not implemented the Outside Organization may forfeit their use of facilities.

Person Responsible for Maintenance of Event Security: _____

1. Visitor access will be controlled as per event needs by an approved door monitor.
2. The following building measures will be in place:
 - a. No access to lockers and classrooms (other than event-related)
 - b. Building access controlled via locked areas
 - c. Doors cannot be propped open or unlocked for any reason.
3. Upon approval of the Board of Education, a meeting will be set up to review appropriate security procedures.
4. I understand the person listed above is responsible for confidentially informing the necessary parties.
