
TRANSPORTATION ROUTES AND SERVICES

The board of education directs the superintendent to supervise development of bus routes to provide safe, economical, and reasonably expeditious transportation for:

- A. Pupils who live remote from the schoolhouse as defined by New Jersey law;
- B. Educationally handicapped pupils in accordance with their IEP;
- C. Pupils participating in board-approved extracurricular activities or field trips;
- D. Pupils whose route to the school is deemed hazardous by the board;
- E. Kindergarten children without regard to distance.
- F. Pupils who have been provided courtesy busing in the discretion of the board; and
- G. Other pupils as required by law.

Transportation of students residing in the district to non-public schools shall be administered by the Rumson-Fair Haven Regional High School in accordance with the same rules and regulations governing the district's own students. The board of education shall pay its pro-rata share of such transportation to the regional district.

The criteria to be used in designing routes and assigning pupils to them shall include:

- A. The distance to be traveled to and from school;
- B. The age and state of health of the child;
- C. The requirements of the instructional program; and
- D. The hazards involved on the route to be traveled.

The board may charge parents/guardians for transporting pupils who live within statutory limits. The charge shall include, but not be limited to the cost of fuel, driver salaries, and insurance.

Transportation to and from school shall be provided as required by law to eligible nonpublic school pupils and to pupils attending charter schools. All pupils riding on

district buses shall be required to observe the district’s bus conduct regulations or risk loss of privilege of such transportation.

Buses, whether contracted or district-owned, shall be kept in optimum condition and shall conform to all state safety regulations.

Bus routes must be acted upon by the board and submitted to the county office.
