

EMPLOYEE SUBSTANCE ABUSE

General – All Employees

The use of alcoholic beverages in school worksites is prohibited. Violations of this prohibition may subject an employee to disciplinary action which may include but is not limited to non-renewal, suspension, or termination at the discretion of the board.

The unlawful manufacture, distribution, dispensing, possession of, use of or sale of any narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana or any other controlled substance on or in school worksites is prohibited. Any violation may subject an employee to participation in a drug rehabilitation program and disciplinary action including but not limited to non-renewal, suspension, or termination at the discretion of the board of education.

For the purposes of this policy “worksite” shall include any school building, or any school premises and any school-owned vehicles or any other school-approved vehicle used to transport students to and from school or school activities. Worksite also includes off-school property during any school-sponsored or school-approved activity, event or function such as a field trip or athletic event, where students are under the jurisdiction of the school district.

The board of education, as a result of criminal convictions of any criminal drug statute violation by an employee occurring outside of the worksite, may discipline said employee. Disciplinary action may include, but is not limited to non-renewal, suspension, or termination at the discretion of the board.

Illegal gambling is not permitted in the school worksite.

Smoking by employees on school grounds is prohibited.

The superintendent shall establish a drug-free awareness program which includes notice of the dangers of drug abuse in the workplace and available drug counseling programs and shall distribute this policy to all employees annually. New employees shall be provided with a copy of this policy prior to beginning work assignments.
