

BUS CONDUCT

These regulations apply to students riding school buses:

1. The bus driver represents an extension of the authority of the school. The driver is in complete charge.
2. When at your bus stop, students are reminded not to run toward the bus as it approaches. They are to wait for the bus to come to a complete stop before moving toward it. While waiting for the bus, students are to stay as far off the road as possible.
3. The driver may assign specific seats to students if he/she wishes. Students are to sit in the seats assigned.
4. Food, candy, etc. are not permitted on the bus.
5. Students must ride their assigned bus only. Permission to ride another bus must come from the business administrator.
6. Orderly conduct must be maintained at all times.
7. Students are to remain seated at all times on the bus. Hands and heads are to remain inside the windows.

Students who become a serious disciplinary problem on the bus may have their riding privileges suspended.
