

Rumson Borough School District
Rumson, New Jersey

MISSION STATEMENT

The mission of the Rumson School District is to provide a comprehensive and caring learning environment. Partnering with the community, our schools nurture a passion for intellectual curiosity, which develops independence and innovation in each and every student. We are committed to a tradition of academic excellence, respect and social responsibility.

The Rumson School District integrates technology as a learning and information sharing tool to promote collaboration, communication, critical and creative thinking so our students thrive in a dynamic world.

BELIEF STATEMENTS

We believe that...

1. Teaching students how to learn provides the foundation for life-long learning in a rapidly changing world.
2. Students' active involvement in their own learning is a key to student achievement.
3. All children deserve the opportunity to fulfill and exceed their potential in a safe and nurturing learning environment.
4. Risk-taking, willingness to change, a commitment to continuous improvement, and collaborative decision-making approach are essential in a successful learning environment.
5. Knowledge empowers individuals.
6. The equitable allocation of resources advances the goals of our learning community.
7. Respecting and embracing cultural diversity and cultivating individuality enhances the educational experience.
8. Education is a shared responsibility of the entire learning community, including parents, teachers, students and administrators.
9. Character education is integral to the development of positive self-esteem, which in turn encourages positive growth.
10. All students can learn, but not necessarily in the same way.
11. Students are the focus in any learning community.
12. Schools are a source of pride and unity within the community.
13. Schools have an obligation to be true to their ideals.
