

FOR IMMEDIATE RELEASE

Deane-Porter School's Early Literacy Day

On February 19th, Deane-Porter opened its doors to parents of students in Kindergarten and first

grade to celebrate early literacy! After seeing the Pups engaged in phonemic awareness and phonics instruction, our families moved to the MPR where Mrs. Ridoux, Supervisor or Curriculum, Instruction, and Assessment, and Mrs. Albrizio and Mrs. Cocchiola, Deane-Porter Reading Specialists, explained the science behind reading instruction and how to assess students' growth. We are proud of our exceptional teachers and our early literacy program.
